25X1A5a1

25X1A1a 1. Please make arrangements to renew the subject contract (XG 2391, T.O. 3) with the [REDACTED]

[REDACTED] in the amount of [REDACTED]. We have found this contractor's performance, including the final report received on 2 March 1964, very satisfactory.

25X1A5a1 2. The contract negotiations should be expedited so that [REDACTED] can continue its review and analysis of Soviet solar physics research. The contract should provide that [REDACTED] place emphasis on (a) Soviet work in solar radio

25X1A5a1 astronomy; (b) solar observations from space vehicles; (c) solar interior and nuclear energy sources; and (d)

25X1A5a1 solar flare prediction techniques. The contract should provide that [REDACTED] submit for approval a final summary report one month prior to the expiration of the contract

25X1A5a1 which will be one year after the contract is signed; that [REDACTED] submit short progress reports every sixty days following the signing of the contract, also special reports at any time that unusually significant developments are noted in Soviet solar physics investigations.
